Dear Sir or Madam:

I am writing to you on behalf of the certification of the water purification systems that our company wants to market in the Philippines.

bla bla bla bla bla bla

We're asking for if, and how, we should apply for certificates for this apparatus and possibly certification for the produced water quality.

Thank you for your time and consideration.

I look forward to your reply.

Yours Faithfully,

Felix Broens

P.S. Full information on the apparatus is in the appendix, including European certificate information.
