

1 The first section

Some text and a reference: One, *Book One*.

The same author again, another title: One, *Book Two*.

And, at last, another author: Two, *Book Three*.

An equation:

$$x - y = z \tag{1.1}$$

And another one:

$$a + b = c \tag{1.2}$$

2 The second section

And one more equation:

$$x + y = z \tag{2.1}$$

And some more text to see the header on even pages...

Don't forget to check *Document* > *Settings* > *L^AT_EX* Preamble to see how all these are set.
