

technical work. When you open the file, select "Print Layout" from the "View" menu (View | Print Layout), which allows you to see the footnotes. You may then type over sections of the document, cut and paste into it (Edit | Paste Special | Unformatted Text), and/or use markup styles. The pull-down style menu is at the left of the Formatting Toolbar at the top of

Body text, equations	10 pts	
SECTION TITLES	10 pts	SMALL CAPS
Subheadings	10 pts	<i>italic</i>
Table Captions	8 pts	SMALL CAPS

Financial support should be acknowledged here. Example: This work was supported in part by the U.S. Department of Commerce under Grant BS123. The name and affiliation (including city and country) of each author must appear on the paper. Full names of authors are preferred in the author line, but are not required. Initials are used in the affiliation footnotes (see below). Put a space between authors' initials. Do not use all uppercase for authors' surnames. Examples of affiliation footnotes:

J. W. Hagge is with Nebraska Public Power, District Hastings, NE 68902 USA (e-mail of corresponding author: j.hagge@ieee.org).  
L. L. Grigsby is with the Department of Electrical Engineering, Auburn University, Auburn, AL 36849 USA (e-mail: l.grigsby@ieee.org).
